

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com

CURRICULUM VITAE

PERSONAL INFORMATION

- Name Anber Mahmoud Ahmed HASSANEIN
- Birth date 29/06/1972
- Nationality Egyptian
- Position Associate Professor
- Specialty Horticulture (Ornamental Plants & Landscape Gardening)
- Permanent Workplace Agriculture Faculty - Sohag University – Egypt
- Actual Workplace Agriculture & Veterinary Medicine college – Qassim University – Kingdom of Saudi Arabia
- Tel. Work (00966) 063801480 (2485)
- Fax (00966) 063801360
- Mobile (00966) 0569772672,(002) 01111299385
- E-mail anber100@yahoo.com
- Website www.anberhassanein.name.eg

EDUCATION

- B. Sc., Horticulture (Ornamental Plants), Agriculture Faculty, Assiut University, Egypt, 1994
- M. Sc., Horticulture, (Ornamental Plants), Agriculture Faculty, Assiut University, Egypt, 2001
Thesis Title: Production of Roselle (*Hibiscus sabdiriffa* L.) Under Natural Farming Techniques, Advisor: Prof. El-Keltawi, N. E.
- Ph. D., Vegetal Cellular and Molecular Biology, National Institute of Horticulture, Angers University, France, 2005
Thesis title: Study of Drought Resistance in *Pelargonium* and Use of Biotechnology to Improve this Characteristic, Advisor: Prof. Dorion, N.

PROFESSIONAL PROGRESSION

- Engineer of Landscape Gardening at Red Sea - Egypt, 1994-1997
- Teaching Assistant, 1997 - 2001
- Assistant Lecturer, 2001 - 2005
- Lecturer (Assistant Professor), 2005 – 2011
- Associate Professor, 2011 - Present
In: Horticulture Department (Ornamental Plants and Landscape Gardening), Agriculture Faculty, Sohag University, Egypt
- Associate Professor of Ornamental Plants & Landscape Gardening in Plant Production and Protection Department, Agriculture and Veterinary Medicine College, Qassim University, KSA (2011- Present)

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com
Web: www.anberhassanein.name.eg

LANGUAGES

- Arabic: Maternal Language
- English: Understanding, Reading, Writing and Speaking
- French: Understanding, Reading, Writing and Speaking

GRANTS AND RESEARCH SUPPORT

- Scholarship of 4 Years From the Egyptian Government for Obtaining the Ph. D. Thesis in France, 2001 – 2005
- Working as Associate professor in Agriculture and Veterinary Medicine College, Qassim University, KSA (2011- Present)

TEACHING EXPERIENCES

- Membership of Education and Student Affairs Committee in Egypt (6 years)
- Membership of Teaching Plans, Higher Education and Academic Support Committees in KSA (3 years)
- Supervision on Ornamental Plants Branch in the Faculty (6 years)
- Development of Programs, Courses and Teaching Plans in the Faculty
- Development and Specification of Undergraduate Programs and Courses
- Development and Specification of Postgraduate Programs and Courses
- Coordinator of Student Activities in Sohag University (2 years)
- Coordinator of ICDL Training in Agriculture Faculty (5 years)
- Responsible of Quality assurance in the Higher Committee of Student Activities in Sohag University (2 years)
- Academic Support for Graduate and Undergraduate Students (9 years)
- Teaching the Following Undergraduate Courses:
 - Principals of Horticulture
 - Ornamental Plants and Landscape Gardening
 - General and Specific Field Training
 - Medicinal and Aromatic Plants
 - Breeding of Ornamental Plants
 - Physiology of Ornamental Plants
 - Gardens and Cities Landscape
 - Flowers, Shade & Greenhouse Plants and Interior Decoration
 - Afforestation of Arid Zones
 - Principals of Forests and Pastures
 - Practical Training
 - Research & Discussions
- Teaching M. Sc. and Ph. D. Courses Related to Ornamental Plants, Landscape Gardening and Medicinal and Aromatic Plants

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com
Web: www.anberhassanein.name.eg

SCIENTIFIC RESEARCH EXPERIENCES

- Editor in Chief of Journal of Horticultural Sciences and Ornamental Plants
- Editor in Agriculture and Veterinary Medicine Journal, Qassim University
- Director of Library and Scientific Publishing Committee in the College, KSA
- Member of Administration Council of Agriculture Research Center, KSA
- Establishment of Tissue Culture Lab and Ornamental Plants Farm in Egypt
- Preparation of Research Plan for Agriculture Faculty
- Scientific Supervision of M. Sc. and Ph. D. Students
- Preparation and Writing of Research Projects
- Bio-safety and Bio-security of Scientific Laboratories
- Organic and Biological Production of Medicinal and Aromatic Plants
- Improvement of Ornamental, Medicinal and Aromatic Plants
- Physiology of Drought Tolerance
- Biotechnology of Ornamental, Medicinal and Aromatic Plants
- Organs, Tissues, Cells and Protoplasts culture
- Indirect Genetic Transformation via *Agrobacterium*
- Direct Gene Transfer via Electroporation
- Cellular and Molecular biology Techniques
- Laboratory Biosafety and Biosecurity
- Efficiency Indicators for Scientific Research and Their Role in Society

INFORMATION TECHNOLOGY EXPERIENCES

- Manager of Information and Communication Technology Unit (5 years)
- Coordinator of ICDL Training in Agriculture Faculty (5 years)
- Trainer of Information and Communication Technology in University (5 years)
- International Computer Driving License (ICDL v4)
- IT Training Program by Microsoft Organization
- Basic Programs of Information and Communication Technology (IT, Windows, Word, Excel, Presentation, Database, Network and Maintenance)
- Multimedia Programs (Photoshop and Movie Maker)
- Statistic Programs (S plus, SPSS, Matlab and Spad)
- Website Design Programs (FrontPages)
- Network and Basics of Programming

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com
Web: www.anberhassanein.name.eg

TRAINING EXPERIENCES

- Internationally Certified Trainer and Consultant of Human Resource Development (International Board for Certified Trainers, IBCT) since 2011
- Obtaining the International Program for Certified Trainer from the International Board for Certified Trainers, Middle East&North Africa,MENA Branch
- Member in the International Board for Certified Trainers and the National Center of Faculty and Leadership Development in Egypt
- Member in Pathways to Higher Education Unit in the University, Egypt
- Director of training committee in Agriculture Faculty
- Coordinator of ICDL training in Agriculture Faculty
- Coordinator of many Training Programs and workshops in Egypt and KSA
- Manager and administrator of several training programs and workshops
- Designer of Training Plan for Agriculture Faculty
- Assessment of Training Needs for Higher Education Associations
- Revision of Technical Standards of some Positions for the Governor of Vocational and Technical Training Corporation, KSA
- Trainer of Trainers and HRD consultant in IBCT- MENA since 2011
- Trainer in the Deanship of Academic Development of Qassim University since 2011
- Trainer in the Center of Agricultural Training in Qassim, KSA since 2011
- Trainer in Faculty and Leadership Development Center since 2007
- Trainer in Pathways to Higher Education Unit since 2006
- Trainer in Information and Communication Technology Project since 2005
- Trainer in Some Information and Training Centers since 2005
- Training of Students, Graduates, Staff and Leaderships in the University
- Training of researchers, engineers and farmers in Toshka, Aswan
- Training of foreign students in the cooperation program in the University
- Obtaining Many Training Programs in Education, Research, Development, Training, Management, Planning and Thinking
- Obtaining Many Faculty and Leadership Development Training Programs
- Experience in Strategic Corporate Education and training
- Experience in Human Resource Development Consultancy
- Experience in Project Management
- Experience in Training of Trainers Programs
- Experience in Coaching
- Experience in Personal Development Planning as Trainer / Consultant
- Experience in Actual Customer Satisfaction

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288

TRAINING FIELDS

- Training of Trainers
- Faculty and Leadership Development
- Human Resource Development Programs
- Management and Thinking Skills
- Information and Communication Technology
- Quality Assurance in Higher Education Organizations
- Accreditation standards in Higher Education Organizations
- Soft Skills
- Effective Communication Skills
- Effective Teaching Skills
- Effective Presentation Skills
- Using Technology in Teaching
- Writing and Publishing of Scientific Researches
- Management of Research Team
- Leadership Skills
- Negotiation Skills
- Strategic Planning
- Employment and Personal Interview Skills
- ICDL Modules
- Computer and Internet Skills
- Specific Training Programs

TRAINING OF TRAINERS PROGRAMS

- International Program for Certified trainers (IBCT, Middle East and North Africa, NCFLD, Egypt), Nov. 2010 - Jan. 2011
- Training of trainers (Supp. level) for Faculty & Leadership Development (NCFLD, 2010)
- Training of trainers (Prep. level) for Faculty & Leadership Development (NCFLD, 2008)
- Training of Trainers for Pathways to Higher Education (PHE, 2007)
- Training of trainers for Information & Communication Technology (ICTP, 2006)
- Training of trainers for Higher Education Enhancement Project (HEEP, 2006)

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com
Web: www.anberhassanein.name.eg

QUALITY ASSURANCE EXPERIENCES

- Director of Financial and Administrative Affairs in Quality Assurance Center of the University, Egypt (5 years)
- Director of Training Committee in Continuous Improvement and Qualifying for Accreditation Project (CIQAP) of the Faculty (5 years)
- Reviewer of Quality Assurance and Accreditation for Higher Education
- Responsible of Quality in the High Committee of Student Activities
- Reviewer in Quality Assurance Center of the University
- External Reviewer of Different Faculties in Sohag University, Egypt
- Revision of Strategic Plans for Higher Education Associations and Deanships
- Managerial Member in Quality Assurance Unit of Agriculture Faculty
- Managerial member in CIQAP of Agriculture Faculty
- Member of Quality Assurance and Accreditation Committee in the Dept., KSA
- Member of Strategic Planning and Academic Standards Committee
- Writing the Action Plan of Continuous Improvement and Accreditation of the Agriculture Faculty, Egypt
- Participation in Quality Assurance and Accreditation Activities in the Colleges
- Achievement of SWOT Analysis and Strategic Plan for Agriculture Faculty
- Reviewing of Higher Education Institutions According to Quality Standards
- Self-Study for Higher Education Institutions (NAQAAE)
- Intended Learning Outcomes and Curriculum Maps (NAQAAE)
- External Reviewing for Higher Education Institutions (NAQAAE)
- Continuous Improvement and Qualifying for Accreditation
- Program and Course Specification
- Establishment of Self capacities for Administrative Staff
- Quality in Higher Education Associations
- Examination Systems Under Quality Assurance System
- E-Course Design
- Education Quality and Its Relationship with Administrative affairs
- Vision and Tasks under Total Quality Assurance System
- Academic and reference Standards in Agricultural Higher Education
- Program Coordinator and His Role in Quality Assurance System
- Field Visit and Accreditation
- Strategic Planning for Higher Education Institutions

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200
Mobile: (002) 0110925288
Fax: (002) (093) 2280126
E-mail: anber100@yahoo.com
Web: www.anberhassanein.name.eg

EDUCATIONAL ACTIVITIES EXPERIENCES

- Responsible of Quality in the High Committee of Student Activities
- Coordinator of Students Activities in Agriculture Faculty for 4 Years
- Consultant of Student Activities in Sohag University for 2 Years
- Consultant of Students Association in Agriculture Faculty for 2 Years
- Supervisor of Several Activities at Local and National Levels
- Supervisor on Some Preparation of Leaders Programs
- Followed Preparation of Leaders Program
- Academic Advising and Support for Students

SOCIAL AND ENVIRONMENTAL EXPERIENCES

- Manager of Staff Members Club of the University for 3 Years
- Member of Management Council in Staff Members Club of the University
- Member of Environmental and Social Projects Committee of the University
- Supervisor on Several Social and Environmental activities
- Training in Several Information and Many Training Centers
- Establishment of Floriculture Farm
- Establishment of Tissue Culture Laboratory
- Scientific Supervision on Floriculture Farm and Gardens of the University
- Scientific supervision on Gardening of the New Site of the University
- Collaboration with Governorate in Gardening Field
- Collaboration with Several Social Organizations in the specialty field
- Preparation of Several Expositions in the University and the Governorate
- Training on Control of Industrial Contamination
- Provide consultations in the Field of Quality Assurance and Accreditation, Strategic Planning, Human Resource Development, Training, IT, Gardens Landscaping and Flowers Production in Egypt and KSA

FACULTY AND LEADERSHIP TRAINING

- Ethics and Morality of Profession
- Skills of Effective Teaching
- Curriculum Design
- Course Design
- Researches Writing and its Internationally Publishing
- Skills of Effective Communication
- Credit Hours
- Use of Technology in Teaching
- Preparation of Research Project

Dr. Anber Mahmoud Ahmed HASSANEIN
Ass. Prof. of Ornamental Horticulture
Certified Trainer & HRD Consultant
Agriculture Faculty, Sohag University, Egypt
Agriculture & Veterinary Medicine College, Qassim University, KSA

Phone: (002) 0934605200

RECOGNITION AND PRIZES

- University Award for the Academic Year of 2009/2010
- Appreciation Certificates in Various Contributions
- Appreciation, Recognition and Thanks Certificates in the Field of Teaching, Research, Training, Quality Assurance, Student Activities and Social Services in Egypt and KSA

INTERNATIONAL PUBLICATIONS

1. Dorion N., **A. Hassanein**, F. Gouait and A. Pernet (2004): Selection of *Pelargonium x hortorum* more resistant to water deficit: a mean of water saving and growth control, **Les 2èmes Rencontres du Végétal, Angers (France)**: 27 - 28.
2. **Hassanein A.** and N. Dorion (2005): Efficient plant regeneration system from leaf discs of zonal (*Pelargonium x hortorum*) and two scented (*P. capitatum* and *P. graveolens*) geraniums, **Plant Cell Tissue and Organ Culture**, 83: 231 – 240.
3. **Hassanein A.**, E. chevreau and N. Dorion (2005): Highly efficient transformation of zonal (*Pelargonium x hortorum*) and scented (*P. capitatum*) geraniums via *Agrobacterium tumefaciens* using leaf discs, **Plant Science**, 169: 532 – 541.
4. **Hassanein A.** and N. Dorion (2006): Determining morphological and physiological parameters for the selection of drought-tolerant geraniums (*Pelargonium x hortorum* L. H. Bailey), **The Journal of Horticultural Science and Biotechnology**, 81, No. 4: 707-713.
5. **Hassanein A.** and N. Dorion (2006): High-efficiency colony formation and whole plant regeneration from mesophyll protoplasts of *Pelargonium x hortorum* ‘Panaché sud’, **The Journal of Horticultural Science and Biotechnology**, 81, No. 4: 714-720.
6. **Hassanein A.**, K. Loridon and N. Dorion (2007): Comparison of two transformation method efficiency using *Pelargonium x hortorum* ‘Panachè sud’ protoplasts and leaf discs as explants, XXII International Eucarpia Symposium, Section Ornamentals, Breeding for Beauty - Part II, September 11-15 (2006), Sanremo – Italy, **Acta Horticulturae (ISHS)** 743:127-132.
7. **Hassanein A. M. A.** and A. M. A. Salman (2009): Susceptibility of rose (*Rosa spp.*) to infestation by the pubescent rose chafer, *Tropinota squalida* (Scop.) and its relationship with rose cultivars and climatic changes in southern Egypt. **American-Eurasian Journal of Agricultural and Environmental Sciences**, 6 (6): 642-650.

Protocols for In Vitro Propagation of Ornamental Plants, Jain, S. Mohan; Ochatt, Sergio J. (Eds.), Methods in Molecular Biology, Volume 589, Part 1, 197-211, DOI: 10.1007/978-1-60327-114-1_19. Humana Press.

ARABIC BOOKS AND PUBLICATIONS

1. Internal Decoration Plants
2. Design and Decoration of the House Garden
3. Cut Flowers and Flowers Decoration
4. Afforestation of Arid Zones

INTERNATIONAL CONFERENCES

1. Les 2èmes Rencontres du Végétal, Angers, France 2004 (Oral and paper)
2. The XXII International Eucarpia Symposium, Section Ornamentals, Breeding for Beauty - Sanremo – Italy 2006 (paper)

NATIONAL CONFERENCES

1. The Seventh International Conference for Organic Farming, Cairo, 2009 (Listener)
2. The Second Minia Conference of Agricultural and Environmental Sciences (Agriculture and Development Horizons), 2010 (Listner)

RESEARCH PROJECTS

1. Using Biotechnology to Improve Quantity & Quality of Rose Essential Oil, Submitted for Cooperation Among Egypt, Saudi Arabia and France
2. Evaluation of drought tolerance in the most economically important trees and the use of biotechnology for the production of drought-tolerant trees, submitted for finance from the national plan in Saudi Arabia

THESIS UNDER SUPERVISION

1. Improvement of Commercial Varieties of Rose Using Biotechnology, Ph. D. Thesis, Egypt
2. Evaluation of Some Medicinal and Aromatic Crops Production Using Different Agricultural Techniques in Reclaimed Soils, M. Sc. Thesis, Egypt - Discussed
3. Physiological Studies on the flowering of Chrysanthemum and the Optimum Conditions for its Flowering all the Year, M. Sc. Thesis, KSA
